EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas A. Beaton (Reg. No. 46543) on 7/22/05.

The application has been amended as follows:

The new title should be "method and apparatus for switching and managing bandwidth for cross-connection"

2. The following is an examiner's statement of reasons for allowance:
 - With respect to claims 19-38, the prior art fails to teach a method for transporting synchronous network traffic across an asynchronous transfer mode (ATM) network, comprising: receiving a network request for a cross-connection at a switching node in an ATM network, the network request comprising a destination identifier specifying a destination switching node and further comprising bandwidth requirements for supporting the cross-connection; retrieving from memory bandwidth allocation information for the switching node, the bandwidth allocation information specifying a plurality of bandwidth blocks; allocating one or more bandwidth blocks for the cross-connection; updating the bandwidth allocation information to reflect the allocated bandwidth blocks; updating the bandwidth allocation information to include the

destination switching node; receiving an ATM cell comprising header bytes, information storage bytes and synchronous network traffic stored in the information storage bytes; and communicating the ATM cell using the bandwidth allocation information without individually switching the information storage bytes.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to PHUC H. TRAN whose telephone number is (571) 272-3172. The examiner can normally be reached on M-F (8-4:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, RAO SEEMA can be reached on (571) 272-3174. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
